

This yearbook is dedicated to the loving memory of Patricia "Pat" Cooper. Pat was a 4th grade teacher here at Pickett Elementary. Pat was a strong believer in education and started her teaching career in the Brenham I.S.D. and remained there for eight years. She continued her career in the Georgetown I.S.D. for ten years and was an inspiration to all whose lives she touched.

To our Friend, "Pat"
We know the angels did rejoice
When you entered heaven's gate
with your beautiful voice

Your leaving this earth so soon is
hard to understand
Yet, we can conceive that your last
moments were lending someone
a helping hand

We'll never forget your quiet ways
The patience you had with your students
throughout the years and
days

Dedicated to teaching you were
Young minds you challenged and stirred

To all who knew you well we'll never forget your integrity, honesty,
and wit

Many memories of you we'll treasure
We will miss you beyond measure
